PER CURIAM:

Marie Assa’ad-Faltas, MD, MPH, appeals the district court’s order denying Assa’ad-Faltas’ motion seeking reconsideration of the court’s order granting Richard Alexander Murdaugh’s motion to voluntarily dismiss his action for injunctive relief. We have reviewed the record and discern no error by the district court. We thus affirm the district court’s order. *Murdaugh v. Moye*, No. 3:22-cv-00608-CMC (D.S.C. Apr. 6, 2023). We deny all pending motions, including but not limited to Assa’ad-Faltas’ motions to appoint counsel, for an initial hearing en banc, for injunctive relief pending appeal, to remand to the district court, and for an immediate remote hearing. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
